

SMART LIVING

powered by  **ALARM.COM®**

Smart home automation is available for select Cityside homes through our partnership with EPS.

DISCOVER YOUR SMART HOME

CONTROL IT ALL

Control your entire home from one app—adjust lights, locks, comfort, or create custom scenes for your day.

SEE WHO'S THERE

See who's at your front door and talk to visitors from anywhere with two-way video and audio.

LOCK UP WITH A TAP

Lock or unlock doors remotely, and give guests secure access with custom codes.

COMFORT ON COMMAND

Smart comfort that learns your schedule and saves energy without lifting a finger.

SMART LIGHTING

Smart lighting that adjusts automatically when you arrive or leave.

GARAGE CONTROL

Control your garage remotely and get alerts if it's left open.
